

College Success

College Success has a student-friendly format arranged to help students develop the essential skills and provide the information they need to succeed in college. The book is an accessible and concise how-to manual that provides realistic, practical guidance ranging from study skills to personal health, test taking, and managing time and money. Throughout the book, students will have access to various self assessments and interactive activities, helping them to develop their own goals and determine what college success means for them as individuals.

Why Instructors Love It:

ACTIVE LEARNING

Make learning efficient. Enable students to be more successful with our active learning approach to course and content design.

SIMPLE SETUP

Make teaching easier. Pre-built modules can be used as-is or customized to align with course goals. Streamline course start-up with our course implementation specialists.

EASE OF USE

Maximize your time. Manage multiple course sections easily. Auto-graded labs and self-assessments will reduce grading time, so you can increase teaching time.

REAL-TIME VISIBILITY

Early intervention, early success. Data analytics provide visibility regarding course engagement, progress, and success.

SUPPORT MATERIALS

A library of content at your fingertips. PowerPoint presentations, quiz banks, interactive online chapters, self-assessments, discussions, reflections—carefully curated, and professor approved.

EDUCATIONAL DESIGN

Make it yours. We supply editorial and educational design support for new course materials. Focus on the content, we'll do the rest.
