

PERCEIVANT

Commitment to Service

Supporting instructors by helping to build a teaching environment that meets their unique organizational needs.

BEFORE YOUR CLASSES BEGIN:

LMS Integration

- » Integrate with your learning management system (LMS) for easy access
- » Perceivant supports standards-based integration with hundreds of third-party publishers and software providers

Customized Content

- » Perceivant has editorial expertise and tools that enable you to easily customize courses and content
- » Make nearly instant updates for minor content edits

Learning Experience Design

- » Assistance and guidance on course structure provides the best experience for students

Worry-Free First Day

- » Our Implementation Managers set up your course for you—ready for you and your students to use on the first day of class

Training and Course Management

- » Perceivant's Implementation Managers are available not only for your questions but to provide best practices for the success of your class

THROUGHOUT THE SEMESTER:

Day One Student Access

- » Online course materials are available to students on the first day of class
- » Students purchase the course direct from Perceivant via online payment module, or purchase from their campus bookstores via an access key

Fast and Helpful Support

- » Perceivant provides 24-hour support for students and instructors
- » Our support staff's 98% satisfaction rating and 2-hour average first reply rate means you get a real reply from a real person within about an hour
- » Online help documentation shows you how to use the various features

Ongoing Course Training, Customization, and Management

- » Perceivant continues working with you and your students all the way through finals
